

REQUEST TO PRESENT TO THE LEO NETWORK WEBINAR

REGISTRATION FORM

A MONTHLY GATHERING OF LEO NETWORK MEMBERS

ANTHC hosts a webinar and teleconference the second to last Tuesday of each month for LEO Network participants in Alaska. The venue includes a review and discussion about recent observations as well as presentations by experts on hot topics. The goal is to raise awareness about emerging issues, to create an open dialogue and to provide education on how to make observations better.

The webinar runs from 2:00 pm to 3:30 pm (AKDT). Presentations range from about 15-35 minutes in length, allowing 5-10 additional minutes for questions and discussion. The following information will help us to prepare the agenda for the meeting, and properly represent you and the organization. Thank you for your interest in presenting to LEO Network.

Date of Presentation: _____

First name: _____ **Last name:** _____
